

**Innovative Facilities Solutions**

# Seeing is believing with Orion's technology demonstration system!

**IFS DEPLOYS FIRST WIRELESS ORION TECH DEMO SYSTEM AT SRC LOGISTICS IN SPRINGFIELD MISSOURI**

*Image to the right shows on the left Orion's 4-lamp T8(145 watts) full power and the competitor's 4-lamp T5(214 watts) fixture on right. Orion fixture is putting out 18.3 foot candles and competitor fixture is putting out 13 foot candles.*

*iPad showing the power readings for the 6-lamp T8(130 watts @ 60% power) 23 foot candles and 6-lamp T5(337 watts) 13.3 foot candles.*

*The test is comparing Orion's 4-lamp & 6-lamp T8 vs competitors 4 & 6 lamp T5 fixtures. Both Orion fixtures are on full dimming ballasts offering even more dramatic savings!*
